### STADIUM LIGHTING ORDINANCE – Tentative Work Plan

- |  |                         |
|--|-------------------------|
| 1. Introduce the stadium lighting topic to Kalamazoo city neighborhoods  | March 2015              |
| 2. Research subject – review existing ordinances/ regulations from other communities and share process with neighborhood organizations | April & May 2015        |
| 3. Create a draft ordinance with the City Attorney office  | June & July 2015        |
| 4. Provide the draft ordinance for public review and feedback opportunities at neighborhood public meetings                            | August & September 2015 |
| 5. Finalize the draft ordinance  | September 2015          |
| 6. Present to Planning & City Commissions at public hearings to finalize the ordinance and provide final feedback opportunities        | October & November 2015 |
